Anna's House

Anna's House offers transitional and permanent housing for homeless women and their children in Harford County. They provide counseling, career and life skills training, employment assistance, and a safe place to live. Anna's House assists families by providing case management, utilizing the rich community services Harford County has to offer. Volunteers and a caring staff give of themselves daily to help families on their journey to independence.

*The Arena Club is proud to support
Anna's House and their mission!*
