BCARS, a program of Catholic Charities Family Services, provides comprehensive, community-based behavioral health services for children and adolescents who live in Baltimore City. Our services help to stabilize families, divert unnecessary psychiatric hospitalization and provide support to youth in a school setting by providing a wide range of immediately accessible therapeutic resources.

Partnering with families, promoting success.

BCARS provides the following community-based services:
• Emergency department diversion.
• Community-based crisis services.
• A 24-hour-a-day, 7-days-a-week hotline.
• Urgent care clinic.
• Short-term intensive individual/family therapy.
• Psychiatric rehabilitation services.
• Psychiatric assessment and medication management.
• Crisis response to Baltimore City Public Schools.

For additional information about all of the programs of Family Services, visit us online at FamilyServicesMD.org.
